### **MINUTES OF MEETING**

1. Mr. Ghulam Abbas has suggested that as a pilot project, few shipping lines should come forward so we can start this project on war-footing basis and as per advice from Chief Minister, this matter of digitalization has to be completed and implemented through this budget before the end of this month.
2. He himself explained his views and plans to make this process applicable. This will be implemented through the Banks and he will give full support if members needed to take assistance of the State Bank of Pakistan and Various Banks.
3. He has requested to create a WhatsApp group where the participants of the pilot project will be the main focal point from their organization.
4. OOCL, Hapag Lloyd, and Maersk Pakistan were selected to be a part of Pilot project and they will also include their IT person to make this more effective. Mr. Ghulam Abbas Naich, the Chief Inspector Stamps BOR Sind himself will monitor all the processes.
5. Mr. Abbas also advised that we will create a portal through Electronic Bill Of Lading where the BL number will be used and a unique number will be created by BOR or through PSID.
6. He also advised that the next meeting will be on Zoom and he will include his concerned person with the joining instructions.
7. He also briefed that normally franking machine is used for BL stamping and Payments are made in advance but now online system will be used and the payment will be again through the system in advance.

Meeting ended with the vote of thanks.
